# The Woodlands at Elm Creek

The Woodlands at Elm Creek is our distinguished half-acre community in Owasso. Ideally situated on 161st East Ave between 96th and 106th Street N, this development harmonizes urban convenience with natural tranquility, offering an unparalleled residential experience.

## Build your forever home

We firmly believe the process of building and buying a home is a partnership that should be exciting, inspiring and most importantly, fun! When building a home, you'll have regular check-ins with your onsite team and we'll ensure your questions are always answered and needs are always met.

# Floor Plan Specifications

We offer a wide array of new construction floor plans. Many of our plans can be modified to offer everything from extra bedrooms and bathrooms to beautiful built mudrooms.

## Homeowners can enjoy:

- Top rated schools
- Walking trails
- Playground
- Stocked Pond
- Easy access to highways, shopping and restaurants

## Community with access

This community has access to everything you need, from unique local hotspots to large retail stores. With access to nearby shopping centers and an excellent cost of living, Owasso is quickly becoming a thriving suburb of Tulsa and a desirable place to live and build your new home. Only 20 minutes from Downtown Tulsa!

## Making the process easy

We take great pride in helping our home buyers navigate this exciting new journey. The best part? The home building process is easier than you think, and we're here to prove it with a friendly smile and helpful attitude.
