The Silo at Smith Farm

The Silo at Smith Farm offers a wide range of floor plans to meet various living needs. Whether you are looking for a spacious home for a growing family or a cozy retreat for a smaller household, you can find a floor plan that suits your needs. With sizes ranging from 1,244 to 2,243 square feet, these homes provide ample space to accommodate your lifestyle. You can choose from three to five bedrooms and two to three bathrooms. With so many options available, you can easily find your perfect home at The Silo at Smith Farm.

Build your forever home

We firmly believe the process of building and buying a home is a partnership that should be exciting, inspiring and most importantly, fun! When building a home, you'll have regular check-ins with your onsite team and we'll ensure your questions are always answered and needs are always met.

Floor Plan Specifications

We offer a wide array of new construction floor plans. Many of our plans can be modified to offer everything from extra bedrooms and bathrooms to beautiful built mudrooms.

Homeowners can enjoy:

- Top rated schools
- Walking trails
- Playground
- Easy access to shopping and restaurants

Community with access

This community has access to everything you need, from unique local hotspots to large retail stores. With access to nearby shopping centers and an excellent cost of living, Owasso is quickly becoming a thriving suburb of Tulsa and a desirable place to live and build your new home. Only 20 minutes from Downtown Tulsa!

Making the process easy

We take great pride in helping our home buyers navigate this exciting new journey. The best part? The home building process is easier than you think, and we're here to prove it with a friendly smile and helpful attitude.
